Project Update February 2017

As the completion of your apartment fast approaches you will be required to begin preparation for settlement, which will include having your finance approved and ready to complete settlement of your property.

We would like to inform you that we have appointed [Property Settlement Solutions](#) to assist you with a stress free settlement process.

Their team of professionals has been engaged to guide you through the settlement process including your pre-settlement inspections and assisting with co-ordination and attendance of bank valuations.

Moving forward, Property Settlement Solutions will be your primary contact for any queries or concerns you may have about the final steps in the process.

. The team at Property Settlement Solutions will be in contact with you shortly to provide a more detailed introduction and to advise

you of the next steps, in preparation for an exciting and seamless handover of your new apartment.

In the meantime, do not hesitate to contact Property Settlement Solutions directly by calling Yana Smith in their office on +61 3 9036 3383 or via email clients@settlement-solutions.com.au

Construction Update

Since our last update in November 2016, construction contractor Buildcorp Commercial has removed the tower crane and temporary material hoist, allowing the building to be weather sealed and therefore the apartment interiors to be progressively completed.

Settlement

Works are on schedule for completion during the first quarter of 2017 with settlements expected shortly thereafter.
